

The Audi A4, A4 allroad and S4 range

Pricing and Specification Guide

Valid from July 2010

Personalising your Audi A4

This guide has been designed to help you tailor and price your chosen Audi A4 model quickly and logically. At the back, you will also find information on CO2 emissions-based taxation and the other services offered by Audi, including Finance and Insurance. Alternatively, you can go to audi.co.uk and configure your Audi A4 online.

Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar.

From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

With extra-sensory technology, the Audi A4 sees things before you do

When you're driving, thinking ahead is vital. It's why we've developed a number of optional technologies for the Audi A4 which monitor conditions on the road, alerting you to potential problems before they happen. Just as forward-thinking is the range of advanced engines available – including the 2.0 TDIe, which emits just 120g/km of CO₂ and can achieve over 60mpg.

Efficiency

At Audi, doing less is something we're trying to do more of. We're working to use less fuel, release less CO₂ and waste less energy. It's why we've incorporated a number of more efficient technologies into the Audi A4.

Recuperation

When a vehicle brakes, the discs convert the kinetic energy into thermal energy, which is wasted as it cannot be used. With a recuperation system, like the one in the Audi A4, the kinetic energy is converted into useful electrical energy. The way it works is simple. While the car is coasting or braking, the alternator voltage is raised above the level of the basic electrical system, which enables the alternator to generate electrical energy and store it temporarily in the battery. When the vehicle accelerates, this energy is used to relieve the load on the alternator, resulting in a fuel saving of up to 3%.

Gear-change indicator

Small changes to your driving style can have a big impact on your fuel economy. The gear-change indicator in the A4 is there to indicate the optimum gear to use for any given speed, encouraging early upshifts to ensure you don't burn more fuel than is necessary.

Efficiency programme

The Driver's Information System in the Audi A4 is available with a special efficiency programme, which offers up-to-the-minute advice on ways you can improve fuel economy as you drive. It also shows you which items in your car are using energy, and how much they are using, so you can make an informed choice about which ones to switch off.

Aerodynamics

A car's shape can have a significant effect on its efficiency. It's why we've worked to make the Audi A4 as aerodynamic as possible.

Engines

Petrol

FSI® direct-injection technology is a unique Audi innovation that was originally developed for the Le Mans 24-hour endurance race to deliver more power and torque, as well as enhanced fuel efficiency. Precisely the right amount of fuel and air are injected into the combustion chambers, enabling the engine to 'breathe' more easily. It results in reduced heat loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. We've also developed TFSI®, with either turbocharging or supercharging, which combines FSI® technology with forced induction – giving cars an extra injection of power.

Diesel

We introduced TDI® to the roads in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. And since then, we've continuously refined it, recently developing common-rail technology. Under this system, a series of piezo injectors use electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature, with less oxygen, which lowers emissions.

Transmissions

multitronic®

Translating a driver's preferences and intentions into road performance, the multitronic® transmission system entertains no compromises – whether in terms of dynamism, convenience or economy. multitronic® automatic transmission is available on models without quattro® permanent all-wheel-drive.

A continuously variable transmission, multitronic® can transmit up to 310 Nm of torque and permits an exceptionally wide range of gear ratios. The result is smooth, powerful acceleration and a high level of driving comfort. And thanks to its lightweight design and a number of advanced electronic control systems that monitor gradient, road conditions and the way the driver is using the accelerator pedal, multitronic® also plays an instrumental role in reducing fuel consumption.

tiptronic

The 6-speed tiptronic transmission system is a form of automatic transmission available on Audi models with quattro® permanent all-wheel-drive. The technology converts high-torque engine power into both sporty performance and operating convenience, with crisp, fast gear changes, reduced weight and an optimised gearshift strategy. More spontaneous gear changes are a particular benefit, especially when down-shifting. Both in the 'D' (Drive) and 'S' (Sport) programme, the advanced electronics used in tiptronic respond efficiently to every driver input, helping to prevent unwanted upshifts when cornering.

S tronic®

Driving is all about thinking ahead, which is just what the S tronic® dual-clutch transmission does. It works almost as two separate systems, one engaging the odd-numbered and the other the even-numbered gears. So when you're accelerating in second, it has third gear waiting for you. And once you make the switch, it's already thinking about fourth. With two clutches working together, you can change gears almost instantly while experiencing smooth, uninterrupted power.

quattro®

It's the technology that has given Audi the edge on the racetrack ever since it was first introduced 30 years ago – a technology that delivers ultimate control whilst enhancing the sporty characteristics which make the Audi A4 so thrilling to drive. It's called quattro® permanent all-wheel-drive. The principle is simple: in the same way that four brakes ensure better deceleration, four permanently-driven wheels deliver better acceleration and road-holding, pushing or pulling the car as needed, for a driving experience that's both dynamic and safe.

In the Audi A4, asymmetric dynamic torque distribution continuously distributes drive power between the front and rear axles depending on weather conditions, road surface and gradient, which increases flexibility for an enhanced, sportier drive.

Standard model equipment

All A4 models have the following items of standard equipment

Engine

Automatic Start-Stop function for greater fuel and CO₂ efficiency (only available on the 2.0 TDI and 2.0 TFSI manual engines)
Recuperation for optimal energy utilisation
Misfuelling inhibition for diesel engines

Wheels, tyres and suspension

16" x 7.5J '7-arm' design alloy wheels with 225/55 R16 tyres and locking wheel bolts (not on 2.0 TDIe models)

16" x 7J '6-arm' design alloy wheels with 205/60 R16 low rolling-resistance tyres and locking wheel bolts (only on 2.0 TDIe models)

Space-saver spare wheel (not on 2.0 TDIe models)

2.0 TDIe models feature suspension lowered by 20mm

Tyre mobility system (only on 2.0 TDIe models)

Seats

Cosinus cloth seats with manual height adjustment
Split-folding rear seats

Safety and security

ESP (including limited-slip differential on front-wheel-drive models)

First aid kit

Front and rear fog lights

Front and rear ISOFIX seats with front passenger airbag deactivation switch

Front side airbags

Headlight range adjustment

Thatcham category 1 alarm and immobiliser

Toolkit and car jack

Warning triangle

Interior equipment

1-zone climate control

12V power socket in boot (not on 2.0 TDIe models)

4-spoke leather steering wheel

Door sill trims in Aluminium optic

Driver's Information System (DIS) with energy-saving tips feature, including gearshift indicator

Electric front and rear windows

Electromechanical parking brake

Front and rear floor mats

Intelligent key

Micrometallic inlays

Rear armrest

Steering column adjustment for rake and reach

Servotronic speed-related power-assisted steering

16" x 7.5J '7-arm' design alloy wheels

Exterior mirrors – electrically operated and heated

2.0 TDIe models feature suspension lowered by 20mm

Halogen daytime-running lights

Exterior equipment

Auto-opening boot lid (Saloon models only)

Exterior mirrors – electrically operated and heated

Front grille – Black gloss on 3.0 TDI® and 3.2 FSI®, Stone grey on all others

Halogen daytime-running lights

Roof rails in bright finish (Avant models only)

Exhaust pipes – 4-cylinder models have two exhaust pipes on the left hand side. 6-cylinder models and the 2.0 TFSI® Avant model have one exhaust pipe on each side

Audio and communication

Audi Chorus audio system – single CD player with 6.5" monochrome display

6 loudspeakers (80 Watts)

SE model equipment

In addition to Standard model equipment

Basic RRP
£1,021.28

Total RRP inc VAT
£1,200.00

Wheels, tyres and suspension

17" x 7.5J '7-arm' design alloy wheels with 225/50 R17 tyres and locking wheel bolts. 2.0 TDi models feature low rolling resistance tyres

Audio and communication

Audi Concert radio. Single CD with MP3 compatibility, colour centre console screen, SD memory card reader and AUX-IN socket in centre console

Audi sound system speaker package, 10 speakers including subwoofer (180 Watts)

Safety and security

Automatic headlight operation

Automatic windscreen wipers

Exterior equipment

Exterior aluminium package

Interior equipment

4-spoke leather multi-function steering wheel

Acoustic windscreen

Auto-dimming rear-view mirror

Aluminium Hologram inlays

Colour Driver's Information System (DIS) with energy-saving tips including gearshift indicator

Deluxe 3-zone climate control with separate air distribution and digital display for driver and front passenger. System includes air-conditioning controls in the rear centre console for rear passenger compartment

Front centre armrest including 12V power socket

Interior chrome package

Additional specifications*

Bluetooth interface

Cruise control

Rear acoustic parking system

Colour Driver's Information System (DIS)

17" x 7.5J '7-arm' design alloy wheels

S line model equipment

In addition to SE model equipment

Basic RRP
£2,127.66

Total RRP inc VAT
£2,500.00

Wheels, tyres and suspension

18" x 8J '5-spoke' S line design alloy wheels with 245/40 R18 tyres
Sports suspension 20mm lower than Standard (S line suspension 30mm lower than Standard – available in lieu of Sports suspension at no charge)

Interior equipment

3-spoke S line multi-function steering wheel (paddle shift for automatic models)
Black headlining
Matt-brushed aluminium inlays
Perforated leather gear knob
S line embossed Sports seats in cloth/leather combination
S line sill plates

Exterior equipment

Bumper 'blade' in Platinum optic
Chrome fog light surround
Chrome rolled exhaust
S line exterior styling package including:
– S line side skirts
– S line front bumper
– S line rear diffuser
– S line badges on wings
Rear LED lights
Roof spoiler (Avant models only)
Xenon headlights with LED daytime-running lights

Additional upholstery information

Option of black or silver stitching to upholstery, steering wheel, gearshift gaiters and floor mats

18" x 8J '5-spoke' S line design alloy wheels

3-spoke S line multi-function steering wheel

Perforated leather gear knob

S line Special Edition model equipment

In addition to S line model equipment

Basic RRP
£893.62

Total RRP inc VAT
£1,050.00*

Wheels, tyres and suspension

19" x 8.5J '7-arm double-spoke' design alloy wheels with 255/35 R19 tyres

Audio and communication

Bang & Olufsen sound system

DAB radio

Bang & Olufsen sound system

19" x 8.5J '7-arm double-spoke' design alloy wheels

A4 allroad model equipment

In addition to A4 Avant quattro SE model equipment

Basic RRP
£838.30

Total RRP inc VAT
£985.00

Wheels, tyres and suspension

18" x 8J '10-spoke' design alloy wheels with 245/45 R18 tyres

37mm suspension lift over standard A4

Collapsible spare wheel

Off-road detection system (ORD)

Seats

Tundra cloth

Interior equipment

Load and rail system

Storage package

Full-length load mat

Micrometallic inlays

Exterior equipment

Off-road aluminium package

Headlight washers

18" x 8J '10-spoke' design alloy wheels

Load and rail system

*Valid for new vehicle orders placed up to and including 30 September 2010. Offers are subject to availability.

RRP - Recommended Retail Price. VAT is calculated at 17.5% but this may alter to reflect any change in the applicable VAT rate.

**S4 quattro equipment –
in addition to
SE model equipment**

One look at its muscular body styling, 18” alloy wheels and subtle S4 badging, and it’ll come as no surprise that the Audi S4 features a powerful 3.0-litre V6 supercharged engine, capable of taking you from 0 to 62mph in 5.1 seconds. And from the comfort and stability of a stylish Alcantara/leather Sports seat, you can sit back and enjoy every single unit of this engine’s 333PS capability – not to mention the roadholding of quattro® permanent all-wheel-drive.

But sleek styling and powerful performance in the S4 don’t come at the expense of functional, driver-oriented specifications. Simple yet thoughtful touches, such as the matt-brushed aluminium inlays, S instrument dials and electric front Sports seats have been included to ensure that your life runs as smoothly as your Audi does.

Wheels, tyres and suspension

18” x 8.5J ‘S-double-spoke S’ design alloy wheels with 245/40 R18 tyres

Seats

Sports seats with electric adjustment and lumbar support

Leather/Alcantara upholstery

Safety and security

‘S’ model enhanced braking system

Interior equipment

3-spoke ‘S’ Sports multi-function leather steering wheel (with aluminium-look paddle shift on S tronic® models)

Aluminium scuff plates

Interior lighting package

Inlays in matt-brushed aluminium

‘S’ instrument cluster

Exterior equipment

4-oval, twin tailpipes, in chrome finish

Aluminium-effect door mirror housings

Integrated boot-lid spoiler (Saloon models only)

LED tail-lights

Painted brake callipers with S4 logo (on front brakes only)

Platinum grey matt grille with vertical bars and chrome inserts

Roof spoiler (Avant models only)

‘S’ front and rear bumpers and side skirt

Xenon headlights with LED daytime-running lights

Optional S4 Super Sports seats

‘S’ instrument dial

18” x 8.5J ‘S-double-spoke S’ design alloy wheels with 245/40 R18 tyres

Platinum grey matt grille with vertical bars and chrome inserts

Audi exclusive

Audi exclusive

Every Audi is intrinsically exclusive. It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that special touch you can specify your new A4 with options from Audi exclusive. Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

Both the exclusive and standard options can be found on the following pages.

Paint

You can select one of the standard colours shown opposite or, for a different look, choose from a range of optional finishes.

Standard colours

Ibis white – **T9**

Brilliant black – **A2**

Brilliant red – **CB**
(not available on A4 allroad)

Optional colours

Aruba blue, pearl effect – **Q9**
(not available on S4 or A4 allroad)

Lava grey, pearl effect – **1R**
(not available on S4)

Sphere blue, metallic – **9F**
(not available on S4)

Meteor grey, pearl effect – **X5**

Teak brown, metallic – **4U**

Ice silver, metallic – **P5**

Deep sea blue, pearl effect – **8A**

Garnet red, pearl effect – **9C**

Quartz grey, metallic – **Q4**
(not available on A4 allroad)

Phantom black, pearl effect – **L8**

Dakar beige, metallic – **9X**
(not available on S4)

Condor grey, metallic – **5Q**
(only available on A4 allroad)

Options are subject to availability
and may extend delivery.

All the colour swatches on this page are
matched as accurately as possible to the
actual paint colours used. However, due to
print processes, Audi UK cannot guarantee
that colours shown are 100% accurate.

Visit your local Audi Centre for a more
accurate colour swatch.

RRP – Recommended Retail Price.

VAT is calculated at 17.5% but this may alter to
reflect any change in the applicable VAT rate.

S line colours

S4 quattro colours

Misano red, pearl effect – N9
(not available on S4 or A4 allroad)

Imola yellow – 1T

Monza silver, metallic – U7
(not available on S4 or A4 allroad)

Sprint blue – 5N

Optional colours

Basic RRP
£510.64

Total RRP inc VAT
£600.00

Paint

Audi exclusive

Everyone has a favourite colour. No matter what yours is, Audi exclusive provides a range of unique colours that have been designed to set your car apart. Choose from the swatches here, or specify any other paint colour in the Audi range – whether it’s Jet blue from the Audi R8 or Alpine white from the original Audi quattro. The choice is yours.

Customised paint

If you have a particular colour in mind, we’ll mix the exact metallic or pearl-effect shade you want.**

*Not available on A4 allroad

**Custom paint is subject to factory approval, and is available for metallic and pearl-effect water-based paints only. Three-colour process colours and two-tone schemes are not available.

*Visit your local Audi Centre for colour samples.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate.

Visit your local Audi Centre for a more accurate colour swatch.

Upholstery

Audi exclusive

With Audi exclusive, you can specify your seats in Valcona leather or Valcona leather/Alcantara, in an array of different colours shown to the right.

Select just one all-over shade for each seat, or customise each panel in two or more complementary colours from the distinctive Audi exclusive palette. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, we think you’ll be extremely comfortable with the result.

Options are subject to availability and may extend delivery.

Wheels, tyres and suspension

Choose a set of specially-selected alloy wheels to subtly enhance the way your car looks and drives. And you can also specify Audi drive select, which allows you to change suspension and steering settings according to your driving style.

17" x 7.5J '6-spoke'
design alloy wheels – PRE

17" x 8J '10-spoke'
design alloy wheels – PRT

18" x 8J '5-spoke star'
design alloy wheels – PRD

18" x 8J '5-arm rotor'
design alloy wheels – PRL

19" x 8.5J '5-segment-spoke'
design alloy wheels – PQ6

19" x 8.5J '7-arm double-spoke'
design alloy wheels – PQF

Wheels, tyres and suspension

Audi drive select

Audi drive select changes your car's handling and responses at the touch of a button to suit the way you want to drive. There are four modes: comfort, dynamic, auto and individual. Please note that you can only choose the 'individual' mode and customise your settings if you also have Satellite Navigation installed.

Dynamic steering

With this new technology, driving is significantly more agile under everyday conditions, while directional stability and precision are increased at high speeds and in demanding driving situations.

Damper control

Formed on the basis of lowered Sports suspension, the optional damper control system fine tunes suspension settings according to road conditions and driver needs.

Options are subject to availability and may extend delivery.

Service Plan

Choosing an Audi Service Plan provides an easy way to cover all your car’s scheduled servicing with a convenient monthly payment plan. It can take care of everything from fluid and filter changes to your full service, ensuring you retain a full Audi service history. There are no servicing bills to plan for and you’ll continue to benefit from today’s prices for the length of your agreement.

Warranty

Options are subject to availability and may extend delivery.

- = Not available
- = Available
- S = Standard

*Prices are based on the Audi Fixed Inspection Service Schedule and 10,000 miles per annum or less. For more information on the Service Schedule, please see page 74.

**Only available when ordering your new A4. Please speak to your Audi Centre for full details.

RRP – Recommended Retail Price.

VAT is calculated at 17.5% but this may alter to reflect any change in the applicable VAT rate.

Model cars

Accessories

Choosing an Audi isn't just a matter of deciding on the model you want; it's about creating a car that suits your needs perfectly. And that's why we've developed a whole range of accessories to enhance your A4, enabling you to customise it down to the last detail. Like your Audi, all these accessories are developed to the highest possible standards. And they're all available exclusively from Audi.

To find out more, just visit audi.co.uk/accessories or contact your local Audi Centre.

Warranty

All the accessories available on the A4 are covered by a three-year warranty* if they are ordered and included in the purchase price of the car at date of delivery. Any accessories ordered and installed after delivery include a two-year warranty.*

technical data

¹The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

²The given values were calculated in accordance with the specified measurement procedure (the respective current version of Directive 80/1268/EEC). This information does not relate to a single vehicle and does not comprise part of the offer but is merely intended for the purpose of comparison between the different vehicle types.

³Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

⁴The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

technical data

¹The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

²The given values were calculated in accordance with the specified measurement procedure (the respective current version of Directive 80/1268/EEC). This information does not relate to a single vehicle and does not comprise part of the offer but is merely intended for the purpose of comparison between the different vehicle types.

³Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

⁴The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

Engine	Petrol 2.0 TFSI quattro	Diesel 2.0 TDI quattro	3.0 TDI quattro

A4 Saloon dimensions

The technical drawings opposite show the exact dimensions of the A4 Saloon, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.

*Maximum headroom

Dimensions were measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load.

Luggage compartment volume in litres: 480/962 (measured by the VDA standard test method using 200 x 100 x 50mm blocks; second value: with rear seat folded down).

Turning circle approx 11.4m.

Dimensions in millimetres.

A4 Avant dimensions

The technical drawings opposite show the exact dimensions of the A4 Avant, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.

*Maximum headroom

Dimensions were measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load.

Luggage compartment volume in litres: 490/1430 (measured by the VDA standard test method using 200 x 100 x 50mm blocks; second value: with rear seat folded down).

Turning circle approx 11.4m.

Dimensions in millimetres.

A4 allroad dimensions

The technical drawings opposite show the exact dimensions of the A4 allroad, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.

*Maximum headroom

Dimensions were measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load.

Luggage compartment volume in litres: 490/1430 (measured by the VDA standard test method using 200 x 100 x 50mm blocks; second value: with rear seat folded down).

Turning circle approx 11.4m.

Dimensions in millimetres.

S4 quattro Saloon dimensions

The technical drawings opposite show the exact dimensions of the S4 Saloon, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.

*Maximum headroom

Dimensions were measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load.

Luggage compartment volume in litres: 480/962 (measured by the VDA standard test method using 200 x 100 x 50mm blocks; second value: with rear seat folded down).

Turning circle approx 11.4m.

Turning circle approx 11.4m.

Dimensions in millimetres.

Additional information

CO₂ data and information

CO₂ emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO₂) a vehicle emits, measured in grams per kilometre (g/km). The DVLA has created thirteen categories:

Petrol and Diesel engines

A - up to 100g/km	£0.00
B - 101 to 110g/km	£0.00
C - 111 to 120g/km	£0.00
D - 121 to 130g/km	£0.00
E - 131 to 140g/km	£110.00
F - 141 to 150g/km	£125.00
G - 151 to 165g/km	£155.00
H - 166 to 175g/km	£250.00
I - 176 to 185g/km	£300.00
J - 186 to 200g/km	£425.00
K - 201 to 225g/km	£550.00
L - 226 to 255g/km	£750.00
M - over 255g/km	£950.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service Schedule has fixed intervals for the Oil-change and Inspection Service that are based on time

and distance, whichever comes first. With the Audi LongLife Service Schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil-change Service is required. Oil-change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

Fixed Inspection Service Schedule

Vehicle usage:	
Mileage	Fewer than 10,000 miles per annum
Type of journey	Mainly city/town centre driving. Short journeys
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving
Service Intervals:	
Oil-change Service	Fixed to every 9,000* miles/1 year
Inspection Service	Fixed to every 19,000* miles/2 years

Variable LongLife Service Schedule

Vehicle usage:	
Mileage	More than 10,000 miles per annum
Type of journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3,000
Service Intervals:	
Oil-change Service	Variable to a maximum of every 19,000* miles/2 years
Inspection Service	Fixed to every 19,000* miles/2 years

*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Additional information

Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we wanted to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres, which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

Audi Promise

Audi Centres

We guarantee that all of our Centres will be open as follows;

Sales: Monday to Friday 9am–6pm
Saturday 9am–5pm

Service: Monday to Friday 8am–6pm
Saturday 8.30am–1pm

Sunday opening is at local discretion.

New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or place of work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

The experts in Vorsprung durch Technik

Would you entrust your Audi to anyone who hasn't been regularly trained to Audi standards? Our network of Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10 year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All of our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle. What's more, we have so much expertise and experience in looking after Audi vehicles that we are able to make a note of your mileage and the state of your vehicle when we see it and predict when certain key events may occur. As part of our commitment to you, we will notify you in plenty of time so you can make an appointment with us.

Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even collect and deliver to you*. We guarantee we can service your Audi within 5 days without a courtesy car, or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

Audi Genuine Parts

Would you put a part into your Audi that wasn't the same quality as the factory fitted original? You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2 year guarantee.** We stock a wide variety of parts, so we are well covered. However, if we don't have a part in stock at our Centre we have the back-up of parts at other Audi Centres, at our national warehouse and our factory and can usually source the relevant part very quickly.

We don't like surprises either

We believe strongly in transparency and there will be no hidden costs. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

The Audi Stamp

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value of your car. Only the Audi Stamp will prove your approved Audi service history.

Getting better every time

We continually gather feedback from our Audi Trained Technicians, as well as our customers, to ensure our vehicles are running as they should. Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner

*Subject to availability.

**Excludes wear and tear.

Pricing information

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 17.5% but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£473.62
Number plate	£20.00
VAT	£86.38
Total	£580.00

Audi Roadside Assistance

Your new car comes complete with 3 years' complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

For further information and terms and conditions, please visit audi.co.uk

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- ▶ A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year

- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ 3 years' UK roadside assistance and recovery

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information.

Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

Audi Finance

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there are a range of funding options to choose from

Below is the full range of finance products.

- ▶ Solutions – a Personal Contract Plan
- ▶ Hire purchase
- ▶ Lease purchase
- ▶ Finance lease
- ▶ Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter what Audi model you choose, your local Audi Centre can provide you with a personalised quote which could fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.
